

Field Recordings is winemaker Andrew Jones' personal catalog of the people and places he values most.

*Spending his days as a vine nursery fieldman planning and planting vineyards for farmers all over California, Andrew is sometimes offered **small lots of their best fruit** on the side. Having stood in just about every vineyard on the Central Coast, he has a keen eye for **diamonds in the rough**: sites that are **unknown or underappreciated but hold enormous untapped potential**. As friendships are made and opportunities are embraced, Andrew produces small quantities of **soulful wine** from these unusual, quiet vineyards.*

The Field Recordings wines are a catalog of single vineyard sites that produces wines with a sense of place and personality. In addition to the single vineyard wines, multivineyard blends are put together under the Wonderwall and FICTION labels.
